NOTICE is hereby given that by an Order dated 13th May 2022 (the "**Order**"), the Hon'ble National Company Law Tribunal, Chandigarh ("**NCLT**") has directed a meeting to be held of the Unsecured Creditors of Milkfood Limited the "Transferee Company" for the purpose of considering, and if thought fit, approving, with or without modification(s), the arrangement embodied in the Scheme of Amalgamation of Milkfood Limited ("**Applicant Company 2**" or "**Transferee Company**" or "**Company**") and Triputi Infrastructure Private Limited ("**Applicant Company 1**" or "**Transferor Company**") and their respective Shareholders and Creditors ("**Scheme**"). In pursuance of the said Order and as directed therein further notice is hereby given that a meeting of the Unsecured Creditors of the Transferee Company will be held through video conferencing / other audio-visual means ("**VC/OAVM**") on **Saturday, 9th July, 2022 at 11:30 AM (IST)** (11:30 hours) at which time you are requested to attend. At the meeting, the following resolution will be considered and if thought fit, be passed, with or without modification(s):

- 1. To consider and, if thought fit, to pass, the following resolution with specific majority as provided under sections 230 to 232 of the Companies Act, 2013 and other applicable provisions:**

***"RESOLVED THAT** pursuant to the provisions of Section 230 read with section 232 of the Companies Act, 2013 read with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 and other applicable provisions of the Companies Act, 2013, the rules, circulars, and notifications made thereunder (including any statutory modification or re-enactment thereof) as may be applicable and in accordance with the Memorandum of Association of the company, the Securities and Exchange Board of India Circular No CFD/ DIL3/CIR/2017/21 dated 10th March 2017, the observation letters issued by BSE Limited dated 28th May, 2021 and subject to approval of the Hon'ble National Company Law Tribunal, Chandigarh Bench ('NCLT') and subject*

to such other approvals, permissions and sanctions of regulatory and other authorities, as may be necessary and subject to such conditions and modifications as may be prescribed or imposed by the Hon'ble NCLT or by any regulatory or other authorities, while granting such consents, approvals and permissions which may be agreed to by the Board of Directors of the Company (hereinafter referred to as the 'Board', which term shall deemed to mean and include one or more Committee(s) constituted/to be constituted by the Board or any other person authorised by it to exercise its powers including the powers conferred by this Resolution) and subject to consent of the creditors of the Company, the consent of the members of the company be and is hereby accorded for the approval of proposed Scheme of Amalgamation between Triputi Infrastructure Private Limited ("the Transferor Company") with Milkfood Limited ("the Transferee Company") and their Respective Creditors & Shareholders("as per the scheme")

RESOLVED FURTHER THAT the scheme providing for Amalgamation between Triputi Infrastructure Private Limited ("the Transferor Company") with Milkfood Limited ("the Transferee Company") with effect from "Appointed date" as defined in the Scheme and also providing for various other matters connected with and/or consequential to and/or incidental thereof, submitted to this meeting, would be advantageous and beneficial to the Company and all stakeholders and that the terms thereof being fair and reasonable be and hereby approved, subject to such changes / alterations / amendments / modifications as may be required or considered necessary or expedient in pursuance of orders, if any, of NCLT or otherwise."

TAKE FURTHER NOTICE that each Unsecured Creditor can opt for only one mode of voting, i.e., (a) remote e-voting, or (b) e-voting during the Meeting through video conferencing / other audio-visual means ("**VC/OAVM**") to be held on **Saturday, 9th July 2022 at 11:30 AM (IST)** (11:30 hours), as arranged by CDSL on behalf of the Company. If the creditors opt for remote e-voting, they will nevertheless be entitled to attend and participate in the Meeting but will not be entitled to vote again during the Meeting and the e-voting facility at the Meeting will be disabled for creditors who have already cast their votes through remote e-voting, prior to the Meeting.

Facility of remote e-voting will be available during the prescribed time period. Accordingly, Unsecured Creditors can vote through remote electronic means (without attending the meeting) instead of voting in the Unsecured Creditors' meeting.

TAKE FURTHER NOTICE that since this Meeting will be held through VC/OAVM, physical attendance of the Unsecured Creditors has been dispensed with. Accordingly, the facility for appointment of proxies by Unsecured Creditor as prescribed under Section 105 of the Companies Act will not be available for the said Meeting and hence, the Proxy Form and Attendance Slip are not annexed to this Notice.

A copy of this notice and the accompanying documents will be placed on the Company's website www.milkfoodltd.com. The Company is required to furnish a copy of the Scheme free of charge on all working days, from the registered office of the Company between 10:00 a.m. to 5:00 p.m. within one day of any requisition of the Scheme being made by the Unsecured Creditor to the Company by e-mail at info@milkfoodltd.com. A recorded transcript of the meeting shall also be made available on the website of the Company as soon as possible. At least one independent director of the Company and/ or the auditor (or his authorized representative who is qualified to be an auditor) of the Company shall be attending the Meeting through VC/OAVM.

TAKE FURTHER NOTICE Hon'ble NCLT has appointed Justice Ranjit Singh (Retd.) as Chairman, Mr. Manuj Nagrath, Advocate as Alternate Chairman and Mr. P.D. Sharma, practicing Company Secretary as scrutinizer of the said meeting of Unsecured Creditors of the Transferee Company.

Further the results of the Meeting shall be announced within two days working days of the conclusion of the Meeting upon receipt of Scrutinizer's report and the same shall be displayed on the website of the Company (www.milkfoodltd.com) and on the website of CDSL (www.cdslindia.com), being the agency appointed by the Company to provide the e-voting facility to the creditors, as aforesaid. Further, as per the order dated May 13, 2022, Hon'ble Chairman will submit its report within 7 days of the conclusion of the meeting.

The Scheme, if approved at the aforesaid Meeting, will be subject to the subsequent approval of the Hon'ble Tribunal and such other approvals, permissions, and sanctions of regulatory or other authorities, as may be necessary.

ORDER

CA (CAA) No.44/Chd/Pb/2021

This is a joint First Motion Application filed by Applicant Companies namely; **Tripiti Infrastructure Private Limited** (for short hereinafter referred to as Applicant Company No.1/Transferor Company) and **Milkfood Limited** (for short hereinafter referred to as Applicant Company No.2/Transferee Company) under Section 230-232 of the Companies Act, 2013 (the Act) and other applicable provisions of the Act read with Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 (the Rules) in relation to the Scheme of Amalgamation between the Applicant Companies. The said Scheme is attached as Annexure A-7 to the Application.

2. The Applicant Companies have prayed for dispensing with the requirement for convening the meetings of the Equity Shareholders, Secured and Unsecured Creditors of Applicant Company No.1/Transferor Company. It is further prayed for the convening of the meetings of Equity Shareholders, Secured and Unsecured Creditors of Applicant Company No.2/Transferee Company.

3. The Applicant Company No.1/Transferor Company is presently engaged in the business to acquire by purchase, exchange, lease, hire or otherwise any estate, lands, buildings, plots or immovable property of any nature or any interest therein etc.
4. The Applicant Company No.2/Transferee Company is presently engaged in the business as manufacturers and/or processors and dealers in and importers and exporters of all varieties of milk, whole milk powder, skimmed milk powder, condensed milk, evaporated milk and dried milk etc.
5. It is submitted that the registered offices of the Applicant Companies are at Patiala, which is situated in the State of Punjab, and, therefore, both applicant companies are under the territorial jurisdiction of this Bench.
6. The rationale of the Scheme is given below:-
 - (i) The amalgamation will result in better, efficient and economical management, achieve cost savings, pooling of resources and rationalisation of administrative expenses/services. The amalgamation will enable the Company to pool the brand, financial, commercial and other resources and considerable synergy of operations would be achieved and it will give value addition to the assets of the Company,
 - (ii) With the enhanced capabilities and resources at its disposal, the Transferee Company will have greater flexibility and strength and will be able to compete more effectively as a combined entity.
 - (iii) The Transferee Company as a consolidated entity after amalgamation will have better financial and business prospects. The Scheme would be beneficial to and in the best interest of the Shareholders & Creditors, if any, of the Transferor Company and the Transferee Company. The Scheme shall not in any manner be

prejudicial to the interests of concerned members/creditors or general public at large.

- (iv) It would be advantageous to combine the assets of the Transferor Company and the Transferee Company into a single Company. The amalgamation would provide beneficial synergy of operations from administrative point of view, and conserve administrative resources and cost overheads, and duplication of management efforts.

7. It is stated that the Board of Directors of the Applicant Company No.1/Transferor Company and Applicant Company No.2/Transferee Company in their meetings held on 05.10.2020 have considered and unanimously approved the Scheme of Amalgamation subject to sanctioning of the same by this Tribunal. The copies of the Board Resolutions of the Applicant Company No.1/Transferor Company and Applicant Company No.2/Transferee Company are attached as Annexure A-8 of the application.

8. The appointed date of the Scheme is 01.04.2020 as mentioned in Clause 2(ii) of the Scheme of Amalgamation which is attached as Annexure A-7 of the application.

9. It is stated that the Applicant Company No.1/Transferor Company and Applicant Company No.2/Transferee Company have filed the audited financial statements as on 31.03.2021 and 30.06.2021 as Annexure A-2 and Annexure A-5, respectively of the application. The Applicant Company No.1/Transferor Company and Applicant Company No.2/Transferee Company have also filed provisional financial statements as on 30.09.2021 as Annexure-1 of Diary No.01122/01 dated 09.12.2021.

10. It is submitted that there are no investigation proceedings are pending or instituted under Sections 235 to 251 of the Companies Act, 1956 and/or under Sections 206 to 229 of the Companies Act, 2013 against the Transferor and Transferee Companies and the Scheme of Amalgamation does not contemplate payment to any shareholder pursuant to the reduction of share capital of the Company as per Section 66 of the Companies Act, 2013.

11. It is further submitted that in pursuance of the proviso to Sec. 230 (7) and Section 232 (3) of the Act, the Applicant Companies has filed the certificate dated 05.10.2020 issued by statutory auditors certifying that the Scheme is in compliance with the Accounting Standards under Section 133 of the Act and the same are attached as Annexure A-21 of the application.

12. It is further submitted by the counsel for applicant companies that as per Valuation Report/Share Exchange Ratio Report dated 29.09.2022 submitted by Mr. Siddharth Gupta, Registered Valuer (S&FA) bearing registration No.IBBI/RV/05/2019/11261 is attached as Annexure A-16. The Share Exchange Ratio is given below:-

“69 (Sixty-Nine) equity shares of face value of INR 10 (Rupees Ten) each of Milkfood Limited (ML) to be issued against 1000 (One-Thousand) equity shares of face value of INR 10 (Rupees Ten) of Triputi Infrastructure Private Limited (TIPL).”

13. It is submitted by the learned counsel that the Scheme (Annexure A-7) also takes care of the interests of the staff/workers and employees of the Applicant Companies. By virtue of Clause 15.1, it is stated that upon the coming into effect of this Scheme all the staff, workmen, employees of the Transferor Company, if any, who are in its employment as on the Scheme coming into effect

shall become the staff, workmen, employees or other labour of the Transferee Company with effect from the Appointed Date without any break or interruption in service and on terms and conditions as to employment and remuneration not less favourable than those on which they are engaged or employed by the Transferor Company whereas there will be no effect on the employees of the Transferee Company.

14. It is stated that the Applicant Company No.2/Transferee Company is a public limited company having shares listed on BSE Ltd. and has received the observation letter dated 28.05.2021 from BSE Ltd. The copies of the same are attached as Annexure A-9 of the application.

15. The authorised signatory of both Applicant Companies have deposed by way of affidavit that both the applicant companies have no other specific sectoral regulators other than the Central Government through Regional Director, Registrar of Companies, Official Liquidator, Securities and Exchange Board of India, Bombay Stock Exchange and Income Tax Authorities and applicant companies are not registered under non-banking financial institution, so neither the approval of RBI is required nor any notices are required to be served upon them. It is further deposed by way of affidavit that the Applicant Companies are not a Section 8 Company under the Companies Act, 2013 and are private limited and public limited companies as defined under Section 2(68) and Section 2(71) of the Companies Act, 2013. The affidavit of the authorised signatory of both Applicant Companies is filed by Diary No.01122/3 dated 02.02.2022.

16. The Applicant Companies has furnished the following documents:-

- i. Proposed Scheme of Amalgamation (Annexure A-7 of the application).

- ii. List of Secured and Unsecured Creditors of Applicant Company No. 1 duly certified by the Statutory Auditors (Annexure A-12 of the application).
- iii. List of Secured and Unsecured Creditors of Applicant Company No.2 duly certified by the Statutory Auditors (Annexure A-14 and A-15 respectively of the application).
- iv. Certificates of Statutory Auditors to the effect that Accounting treatment proposed in the Scheme is in conformity with Section 133 of Companies Act, 2013 (Annexure A-21 of the application).
- v. Proposed Share Exchange Ratio (Annexure A-16 of the application).
- vi. Affidavit with regard to Sectoral Regulators of Applicant Companies (Diary No.01122/3 dated 02.02.2022 of the application).
- vii. Audited Financial Statement as on 31.03.2021 and 30.06.2021 of the Applicant Company No.1 and Applicant Company No.2 (Annexures A-2 and A-5 respectively of the application).
- viii. Provisional Financial Statements as on 30.09.2021 of the Applicant Company No.1 and Applicant Company No.2 (Annexure A-1 of Diary No.01122/01 dated 09.12.2021).

17. In the course of present proceedings, an intervention application CA No.43/2022 was filed by Diary No.00193 dated 09.02.2022, by Sudha Commercial Company Limited under Rule 11 of the NCLT Rules, 2016. The applicant therein had earlier filed CP 10/ND/2013 RT CP No.28/Chd/Pb/2016 titled as Sudha Commercial Company Limited Vs. Milkfood Limited & Ors. under Section 397, 398, 399, 403 of the Companies Act, 1956 wherein it had alleged

certain acts of oppression and mismanagement by the management of Non-Applicant Company No.2 and Non-Applicant Company No.1 was also contesting respondent in the said petition.

17.1 The applicant prayed this Tribunal to adjourn Company Application CA (CAA) No.44/Chd/Pb/2021 sine die till the time CP 10/ND/2013 RT CP No.28/Chd/Pb/2016 titled as *Sudha Commercial Company Limited Vs. Milkfood Limited & Ors.* is not finally decided on its merits.

17.1.1 In its application filed by Diary No.00193 dated 09.02.2022, the applicant has challenged the Valuation Report of Milkfood Limited and Triputi Infrastructure Pvt. Ltd.; the share exchange ratio and financial statement of accounts of Triputi Infrastructure Pvt. Ltd. It has further alleged that the valuation of the Brand has been done from a merchant banker at an inflated value of around Rs.33 Crores. It is also alleged that the Promoter Group by selling the Brand of Milkfood Limited at Rs.34 Crores as against its purchase value of Rs.14 Crores caused a loss of Rs.20 Crores to the Company. In view of these allegations, it is prayed that the allegations made in CP 10/ND/2013 RT CP No.28/Chd/Pb/2016 titled as *Sudha Commercial Company Limited Vs. Milkfood Limited & Ors.* be decided first and the application CA (CAA) No.44/Chd/Pb/2021 be adjourned sine die.

17.1.2 In its written submissions filed by Diary No.00193/2 dated 25.02.2022, the applicant reiterates that it is holding 10.01% shares in the Milkfood Limited and repeated the allegations of certain acts of oppression and mismanagement against the said company, also mentioned in the case titled *Sudha Commercial Company Limited Vs. Milkfood Limited & Ors.* In the

said case, Triputi Infrastructure Private Limited is also a contesting respondent and one of the acts of oppression and mismanagement alleged by the applicant in the aforementioned petition was the alienation of Brand Milkfood by Milkfood Limited to Triputi Infrastructure Private Limited for a paltry consideration of Rs.14 Crores.

17.2 Respondent No.2 has filed its reply by Diary No.00193/1 dated 28.02.2022 and further written submissions by Diary No.01122/4 dated 28.02.2022. In its reply, the primary objection taken by the respondent is that the issues raised by the Intervener cannot be taken up at the present first motion stage of the amalgamation proceedings because it is at this stage only the issues relating to notices to different stakeholders to allow them to vote on the Scheme is to be considered. The other issues like the objections raised by different authorities and stakeholders can be taken up subsequently during the second motion petition. In this context, the respondent has placed reliance on the ratio laid down by the Hon'ble Supreme Court of India in the matter of **Rainbow Denims Ltd. Versus Rama Petrochemicals Ltd. (2002) 10 Supreme Court Cases 498**, the relevant part of which is extracted below:-

“5. The appropriate time for the Company Judge to consider the Scheme is subsequent to approval thereof by the shareholders and creditors of the appellant Company. Therefore, the order of the learned Company Judge and the order under appeal must be set aside and liberty given to the appellant Company to move the High Court for directions for calling meetings of its shareholders and creditors for the purposes of considering and approving the scheme. Once that has been done, a further application will be required to be made before the learned Company Judge. That would be the appropriate time for the learned Company Judge to consider the scheme.”

17.2.1 It is further stated that in the present case, the applicant without having any locus standi has filed the present application without understanding and evaluating the benefit of the proposed Scheme of Amalgamation, which in a way if considered at this stage, will deprive the stakeholders of the Respondent No.2 to vote on the proposed Scheme.

17.2.2 The respondent No.2 i.e. Milkfood Limited has referred to Para 10 of its reply filed in *Company Petition No.10(ND)/2013 (RT CP No.28/Chd/Pb/2016) in the case of Sudha Commercial Company Limited Vs. Milk Food Limited and Ors.*, which reads as under:

"It is submitted that even otherwise the present petition is entirely infructuous inasmuch as there is common ground between the parties herein that the primary allegation in the present petition is that the Respondent No.1 Company has "sold" the brand Milkfood at an undervalue to the Respondent No.8 Company. By way of the present scheme of merger of the Respondent no.1 and Respondent No.8 Companies, admittedly the brand Milkfood shall come back to Respondent No.1 Company and as such nothing remains to be decided in the present petition and therefore the present petition is infructuous."

17.2.3 It is further stated that the valuation of the Brand has gone up from Rs.14 Crores in the year 2013 to Rs.34 Crores at the time of the proposal for amalgamation due to the exponential growth in the financial position of the respondent Company. As a justification of the higher valuation, it is further stated that the sale of the Brand to Respondent No.1 Company was with various stipulations such as respondent No.1 Company was not allowed to assign or sell the brand to any other party and would further allow the respondent No.2 Company to use the brand without payment of any royalty. It is also mentioned that respondent No.2 Company has till date not paid any royalty to respondent No.1 Company.

17.2.4 In its compilation filed by Diary No.01122/05 dated 08.03.2022, the respondents have placed reliance on the ratio of the judgment of the NCLT, Chennai Bench in the matter of ***Dalmia Refractories Limited and Ors. Vs. Dalmia Bharat Refractories Limited and Ors. in CA/322/CAA/2020 decided on 23.02.2021.*** The relevant para reads as below:

“5.xx xx xx xx.. The learned counsel for the applicant companies relied on the judgments of the Hon’ble Supreme Court in the matter of Rainbow Denim Limited - Vs. Rama Petrochemicals Limited and the Hon’ble NCLAT in the matter of MEL Windmills Private Limited Vs. Mineral Enterprises Limited & Anr. wherein it was held that the appropriate time to be consider any objections is only subsequent to the meeting of the shareholders and creditors and their approval thereof. Hence, keeping in mind, the Judgements of Hon’ble Supreme Court and NCLAT, we are of the view that the objection raised by the shareholders of the Transferor Company-1 at the first motion stage is not maintainable. Since, it pertains only in relation to conduct/or dispensed with the meeting, the objection raised by the objectors at the first motion stage is not maintainable.”
(emphasis supplied)

17.2.5 The respondents have also placed reliance on the decision of the NCLT, Bengaluru Bench in the matter of ***MEL Windmills Private Limited Vs. Mineral Enterprises Limited & Anr. in Company Appeal (AT) No.04 of 2019 decided on 27.05.2019.*** The relevant part is extracted below for the sake of clarity:

“5.xxx xx xx xx xx... This is a sine qua non for proceeding further and any order of sanctioning or refusing to sanction such compromise or arrangement by the Tribunal would be without jurisdiction unless the Tribunal has dispensed with calling of such meeting of creditors/members in terms of Sub-Section (9). It is manifestly clear that at the stage of calling of meeting of creditors/members for consideration of the scheme of compromise or arrangement the Tribunal is not required to examine the merits of the scheme qua the proposed compromise/arrangement. Any such indulgence on the part of the Tribunal would fall foul of the provision engrafted in Section 230(1) of the Act and would be without jurisdiction.

6.xxx xx xx xx xx.. The mandate of law engrafted under Section 230(1) of the Act requiring the Tribunal to order calling of meeting of the creditors/members of the concerned companies not being complied with

and the mandatory provisions being observed in breach, the impugned order cannot be supported. The Tribunal, at the very threshold stage, was not required to venture into the merits of the proposed scheme of demerger which had to be examined only after obtaining the consent of creditors/members with requisite majority.”

17.3 The applicant in its compilation filed by Diary No.00193/3 dated 09.03.2022, has placed reliance on the decision of the Hon'ble Bombay High Court in the case of **Bedrock Ltd. and Bedrock Ltd. in Company Petition No.469 of 1997 decided on 17.03.1998**, wherein it is stated that “32. *These principles have also been reiterated by the Supreme Court in Mafatlal's case (supra) to the effect that the proposed scheme should only be sanctioned if it is found to be not violative of any provision of law and is not contrary to public policy. For ascertaining the real purpose underlying the scheme the Court can pierce the veil of apparent corporate purpose underlying the scheme and can judiciously X-ray the scheme. Where the Court finds that the scheme is fraudulent and is intended for a purpose other than what it professes to be, it may be rejected even at the outset without calling a meeting of the Creditors. The Court does not function as a rubber stamp or Post Office and it is incumbent upon the Court to be satisfied that the scheme is genuine, bona fide and in the interest of creditors of the Company”.*

17.4 We have heard learned counsel for the applicant and learned Senior Counsel for the respondents and have carefully gone through the records.

17.5 Before going into the merits of this application, this Bench notes that the applicant itself had agreed to consider a Scheme of Merger as reflected in the following extracts from the order dated 04.03.2020 in the case of CP

No.10/(ND)/2013 RT CP No.28/Chd/Pb/2016 in Sudha Commercial Co. Ltd. Vs. Milkfood Limited and Ors. of this Adjudicating Authority:

“The learned counsel appearing for the respondent No.1 Company submits that the respondent No.1 Company is intending to formulate a scheme of merger of respondent No.8 with respondent No.1 Company and in such an event the prayers in the instant case becomes infructuous as the “brand” will come back to respondent No.1 again. However, seeks short accommodation to produce the Board Resolution and any other relevant documents thereto. Accordingly, list the CP on 24.03.2020.

2. The learned counsel appearing for the petitioner submits on instructions that if the respondent No.1 Company files any resolution as stated by them they will withdraw the CP and may not press CP with regard to other allegations also.” (emphasis supplied)

17.5.1 The issue falling for our consideration in the present application is whether in a first motion application the issues originally raised in an oppression and mismanagement application can be considered. It is trite law that the Chapter XV of the Companies Act, relating to Compromises, Arrangements, and Amalgamation is a self-contained Code. This Chapter provides opportunities to all stakeholders i.e. the Shareholders, Secured and Unsecured Creditors to vote on the proposed Scheme of Amalgamation. The applicant is a 10.01% Shareholder of the Non-Applicant No.2 Company i.e. Milkfood Limited. Admittedly, there are other stakeholders also and all of them have a right to vote on the proposed Scheme as it affects all the stakeholders. The issues raised by the applicant, therefore, may become relevant for consideration only during the second motion after the proposed Scheme of Amalgamation crosses the threshold level of the consents of Shareholders and Creditors as stipulated in Section 230-232 of the Act. In any case, being a shareholder, the applicant will also have an opportunity to vote on the

proposed Scheme after the notices are issued to shareholders and others during the first motion of Amalgamation proceedings in CA (CAA) No.44/Chd/Pb/2021. In the above circumstances, this Bench holds that the prayer made by the Intervener is not maintainable at this stage, and the CA No.43/2022 stands dismissed and disposed of accordingly.

enable the Company to pool the brand, financial, commercial and other resources and considerable synergy of operations would be achieved and it will give value addition to the assets of the Company.

5.2 With the enhanced capabilities and resources at its disposal, the Transferee Company will have greater flexibility and strength and will be able to compete more effectively as a combined entity.

5.3 The Transferee Company as a consolidated entity after amalgamation will have better financial and business prospects. The Scheme would be beneficial to and in the best interest of the Shareholders & Creditors, if any, of the Transferor Company and the Transferee Company. The Scheme shall not in any manner be prejudicial to the interests of concerned members / creditors or general public at large.

5.4 It would be advantageous to combine the assets of the Transferor Company and the Transferee Company into a single Company. The amalgamation would provide beneficial synergy of operations from administrative point of view, and conserve administrative resources and cost overheads, and duplication of management efforts

PART- V

CHAPTER 1 - DISCLAIMER CLAUSE

This Valuation Report ("Report") is being furnished by Siddharth Gupta, Registered Valuer ("Valuer") at the request of the management of Milkfood Limited. The reference date for this valuation exercise is the appointed date for the amalgamation i.e April 1, 2020 ("Valuation Date"). This Report covers Share Exchange Ratio for amalgamation of the Transferor Company with the Transferee Company only.

The relevant background of the transaction and our scope of work are mentioned in Chapter 2 below. This Report must be considered in that context only and is not an advisory document for any other purpose. The Report may not be distributed, reproduced, or used, without the express written consent of Valuer for any purpose other than that mentioned in Chapter 2 of this Report, below. Our valuation analysis should not be construed as an investment advice in the any of the companies involved.

The Report has been prepared by Valuer from information extracted from Audited Financials of the Companies, Management Projection, Statutory Registers and discussions from time to time and other data provided by the management of the Transferor Company and the Transferee Company ("Management"). Our scope of work does not include verification of data submitted by the management and we have relied upon the data provided to us. Wherever required, the information and data submitted by the Transferor Companies and the Transferee Company has been duly certified by the management.

The factual data, business details and financial statements (including financial projection) have been provided by the management. While the information provided herein is believed to be true and reliable to the best of our knowledge, we do not make any representations or warranties, express or implied, as to the accuracy or completeness of such information. To arrive at the Valuation of Milkfood Brand, we have relied on the achievability of the Projected figures provided by the management. In case the Company is not able to achieve the projected figures, our valuation results may be substantially affected.

In furnishing the Report, Valuer reserves the right to amend or replace the Report at any time. The information contained herein is based on certain assumptions and the analysis of the information available at the time the Report was prepared. Valuer does not purport to give any representation, warranty or other assurance in relation to this document.

This report highlights the basis of arriving at the Share Exchange Ratio between the Transferor Company and the Transferee Company, keeping in view the circumstances prevailing at the time of valuation and arrives at the opinion on the fair value considering the facts of the case. However, it may be noted that valuation is a highly subjective exercise and may differ from valuer to valuer depending upon the perception of attendant circumstances. At best it is an expression of opinion or a recommendation based on certain assumptions at a given point of time.

Further, the maximum liability relating to this valuation report shall be limited to the fees paid to the Valuer for rendering the service. This provision shall survive the completion of this engagement.

CHAPTER 5 - VALUATION APPROACHES

The valuation approaches to be adopted varies from case to case depending upon different factors affecting valuation. The basis of valuation depends upon the purpose of valuation, the type of business, the future prospects and other attendant circumstances.

There are the following three valuation approaches as per the internationally accepted valuation standards:

- i. "Cost" approach;
- ii. "Income" approach; and
- iii. "Market" approach

Within these three basic approaches, several methods may be used to estimate the value. An overview of these approaches is as follows:

Cost Approach

The cost approach provides an indication of value using the economic principle that a buyer will pay no more for an asset than the cost to obtain an asset of equal utility, whether by purchase or by construction, unless undue time, inconvenience, risk or other factors are involved. The approach provides an indication of value by calculating the current replacement or reproduction cost of an asset and making deductions for physical deterioration and all other relevant forms of obsolescence.

Replacement Cost Method

Generally, replacement cost is the cost that is relevant to determining the price that a participant would pay as it is based on replicating the utility of the asset, not the exact physical properties of the asset. Replacement cost is adjusted for physical deterioration and all relevant forms of obsolescence. After such adjustments, this can be referred to as depreciated replacement cost.

Reproduction Cost Method

Reproduction cost is appropriate if the cost of a modern equivalent asset is greater than the cost of recreating a replica of the subject asset, or the utility offered by the subject asset could only be provided by a replica rather than a modern equivalent.

Summation Method

The summation method, also referred to as the underlying asset method, is typically used for investment companies or other types of assets or entities for which value is primarily a factor of the values of their holdings.

Income Approach

The income approach provides an indication of value by converting future cash flows to a single current value. Under the income approach, the value of an asset is determined by reference to the value of income, cash flow or cost savings generated by the asset. A fundamental basis for the income approach is that investors expect to receive a return on their investments and that such a return should reflect the perceived level of risk in the investment.

Discounted Cash Flow Method

Under the DCF method the forecast cash flows are discounted back to the valuation date, resulting in a present value of the asset. When selecting the appropriate type of cash flow for the nature of asset or assignment, the discount rate and other inputs must be consistent with the type of cash flow chosen.

The intended holding period for one investor should not be the only consideration in selecting an explicit forecast period and should not impact the value of an asset. However, the period over which an asset is intended to be held may be considered in determining the explicit forecast period if the objective of the valuation is to determine its investment value.

Where the asset is expected to continue beyond the explicit forecast period, valuers must estimate the value of the asset at the end of that period. The terminal value is then discounted back to the valuation date, normally using the same discount rate as applied to the forecast cash flow.

The market approach/exit value method can be performed in a number of ways, but the ultimate goal is to calculate the value of the asset at the end of the explicit cash flow forecast. Common ways

to calculate the terminal value under this method include application of a market-evidence based capitalization factor or a market multiple.

The rate at which the forecast cash flow is discounted should reflect not only the time value of money, but also the risks associated with the type of cash flow and the future operations of the asset.

Market Approach

The market approach provides an indication of value by comparing the asset with identical or comparable (that is similar) assets for which price information is available. The market approach often uses market multiples derived from a set of comparable assets, each with different multiples. The selection of the appropriate multiple within the range requires judgement, considering qualitative and quantitative factors.

Guideline Publicly Traded Comparable or Comparable Companies Multiple ("CCM") Method

The guideline publicly traded method utilizes information on publicly traded comparable companies that are similar to the subject asset to arrive at an indication of value. The method should be used only when the subject asset is sufficiently similar to the publicly traded comparable companies to allow for a meaningful comparison.

Comparable Transactions Multiples ("CTM") Method

The comparable transactions method, also known as the guideline transactions method, utilizes information on transactions involving assets that are the same or similar to the subject asset to arrive at an indication of value.

Market Price Method

Under this method, the market price of an equity shares of the company as quoted on a recognized stock exchange is normally considered as the fair value of the equity shares of that company where such quotations are arising from the shares being regularly and freely traded. The market value generally reflects the investors' perception about the true worth of the company.

CHAPTER 6 - VALUATION APPROACHES ADOPTED

For determining an accurate valuation of the Companies and determine the share exchange ratio, it is important to adopt an appropriate valuation method considering the nature of transaction, business of the Companies and its latest audited financials, etc.

Basis the information and documents available with us and discussion held with the management, we understand that present scheme of amalgamation has been drafted to transfer the intangible property (i.e. milkfood brand) owned by Triputi Infrastructure Private Limited to Milkfood Limited as other than this intangible property the transferor company does not have any significant asset or business.

Since the transferor company is not engaged in any business activity, hence projecting the future financials is not possible accordingly we have not applied the Income or Market Approach. Further to arrive at the Fair Valuation of the transferor company, we have applied Adjusted Net Asset Value Methodology, wherein we have considered the Fair Valuation of underlying intangible asset i.e. brand milkfood. To arrive at the Fair Valuation of the brand milkfood, we have considered Royalty Relief Method basis the average royalty rate being received by the companies engaged in Dairy Products and Oils Business. The aforesaid royalty rates have been considered basis the paid international database of Royalty Range (Intangible Range Limited, UK).

Herein it is important to note that the entire valuation of transferor company is dependent on the fact that transferor company is registered owner of the milkfood brand and any change in the aforesaid assumption shall impact the valuation of transferor company significantly.

Further to arrive at the Fair Valuation of Milkfood Limited, we have considered the Comparable Company Multiple Methodology, Market Price Methodology and Net Asset Value Methodology. We have not considered the Discounted Free Cash Flow Methodology as due to COVID 19; management has shown its inability to project the forecasted financials.

Brand value chain

- The influence of brands on current and prospective customers significant driver of economic value.
- By expressing their proposition consistently across all touchpoints, brands help shape perceptions, making products and services less substitutable.
- In this way, brands create demand.
- Strong brands also create continuity of demand into the future, thus making expected returns more likely – or less risky.
- Brands, therefore, create economic value by generating higher returns and growth, and by mitigating risk.

APPROACHES/METHODOLOGIES TO BRAND VALUATION

Valuation of the Enterprise or its Brand is not an exact science and ultimately depends upon what it is worth to a serious investor or buyer who may even be prepared to pay premium. This exercise is carried out based on generally accepted methodologies, the results of which could vary significantly depending upon the basis used, the specific circumstances and professional judgement of the valuer.

The approaches/ methodologies of brand valuation are as under:

1. **Market Approach:** - Based on an estimate of the price expected to be realised if the brand were to be sold in an open market.
 - **Royalty relief method:** - This method assumes that the brand is not owned by the branded business but is licensed in from a third party. The value is deemed to be the present value of the royalty payments saved by virtue of owning the brand.
 - **Price Premium & Volume Premium method:** - The Price Premium method estimates the value of a brand by reference to the price premium it commands over unbranded, weakly branded or generic products or services.
 - **Incremental cash flow method:** - The incremental cash flow method identifies all cash flows generated by the brand in a business, by comparison with comparable businesses with no such brand. Cash flows are generated through both increased revenues and reduced costs.
2. **Cost Approach:** - Based on the premise that a prudent investor would not pay for a brand than the cost to recreate, replace or reproduce an asset of similar utility
3. **Income Approach:** - Based on estimating the expected future, after-tax cash flows attributable to the brand then discounting them to a present value using an appropriate discount rate
 - **Indirect or Residual Methods:** - Keller (1998) has proposed that the residual value, when the market capitalization is subtracted from the net asset value, is equal to the value of the "intangibles" one of which is the brand.
 - **Differential of Price to sale ratios method:** - The Differential of Price to Sale ratios Method calculates brand value as the difference between the estimated price to sales ratio for a branded company and the price to sales ratio for an unbranded company and multiplies it by the sales of the branded company. Why this method can be used

is because information is readily available and it is easy to conceptualize but the drawback is that the comparable firms are a limited few and there exists no distinction between the brand and other intangible assets such as good customer relationships.

- **Income-split method:** - The income-split method starts with net operating profits and deducts a charge for total tangible capital employed in the branded business, to arrive at 'economic profits' attributable to total intangible capital employed. Behavioural analysis is then used to identify the percentage contribution of brand to these intangible economic profits.
- **Multi-period excess earnings method:** - The multi-period excess earnings method is similar to the income-split method. However, in this case the brand valuer first values each tangible and intangible asset employed in the branded business (other than the brand). He uses a variety of valuation approaches and methods depending on what is considered most appropriate to each specific asset.

4. **Scorecard Method** - Brand strength measures the ability of the brand to create loyalty. The brand strength is based on evaluation of scorecard on 0-100 basis. It is based on factors i.e Clarity, Commitment, Protection, Responsiveness, Authenticity, Relevance, Differentiation, Consistency, Presence & Understanding.
Branding Index is the parameter which leads to purchase of a particular brand apart from price and feature. The score is assigned for each of the parameter and the mean score for each parameter and for each brand are taken and multiplied with weights assigned to each of the attribute.

CHAPTER 8 - EQUITY VALUE ANALYSIS OF MILKFOOD LIMITED

As per SEBI (ICDR) Regulations pricing rules for frequently traded shares states that "If the equity shares of the issuer have been listed on a recognized stock exchange for a period of twenty six weeks or more as on the relevant date, the price of the equity shares to be allotted pursuant to the preferential issue shall not be less than higher of the following-

- The average of the weekly high and low of the volume weighted average price of the related equity shares quoted on the recognized stock exchange during the twenty-six weeks preceding the relevant date.
- The average of the weekly high and low of the volume weighted average price of the related equity shares quoted on the recognized stock exchange during the two weeks preceding the relevant date.

Further SEBI (ICDR) Regulations defines frequently traded shares "means the share of the issuer, in which the traded turnover on any recognized stock exchange during the twelve calendar months preceding the relevant date is at least 10% of the total number of shares of such class of share of the issuer.

On applying the above pricing methodology as per SEBI (ICDR) Regulations, we observed that the shares of the transferee company is infrequently traded. In this respect the SEBI (ICDR) Regulations states that "where the shares of an issuer are infrequently traded, the price determined by the issuer

Sub: Fairness Opinion on the Share Exchange Ratio for the Proposed Scheme of Amalgamation of Triputi Infrastructure Private Limited with Milkfood Limited.

Dear Sir/Madam,

1. ENGAGEMENT BACKGROUND

We understand that the Board of Directors of the above referred Companies are considering an amalgamation of Triputi Infrastructure Private Limited (the "Transferor Company" or "TIPL") with Milkfood Limited (the "Transferee Company" or "ML"), collectively called companies pursuant to a Scheme of Amalgamation ("Scheme") under the applicable provisions of the Companies Act, 2013.

We further understand that pursuant to the above Scheme, the shareholders of Transferor Company will be issued equity shares of Transferee Company as consideration for their respective shareholdings in the Transferor Companies.

We further understand that the Share Exchange ratio in this regard has been arrived based on the Valuation Report dated 29th September, 2020 prepared by Mr. Siddharth Gupta, Independent Chartered Accountant and Registered Valuer having Registration No. IBBI/RV/05/2019/11261 (the "Valuer" or "SG") who has been appointed by Milkfood Limited (Transferee Company).

In connection with the aforesaid, you have requested our Opinion as to the fairness of the Share Exchange Ratio, as recommended by the Valuer.

2. BACKGROUND OF THE COMPANIES

5. SCOPE AND LIMITATIONS/CAVEATS

- a. Our opinion and analysis are limited to the extent of review of documents as provided to us by the Transferor and Transferee Companies of the Valuation report containing the share exchange ratio prepared by Mr. Siddharth Gupta, Independent Chartered Accountant and Registered Valuer having Registration No. IBBI/RV/05/2019/11261 dated 29th September, 2020. We have relied upon the accuracy and completeness of all information and documents provided to us, without carrying out any due diligence or independent verification or validation of such information and documents to establish its accuracy or sufficiency. We have not reviewed any financial forecasts relating to these Companies. We have not conducted any Independent valuation or appraisal of any of the assets or liabilities of the Transferor and Transferee companies, if any.
- b. In rendering our opinion, we have assumed that the Scheme of Amalgamation will be implemented on the terms described therein without any waiver or modification of any material terms or conditions and that in the course of obtaining the necessary regulatory approvals to the Scheme of Amalgamation, no delay, limitation, restriction or conditions will be imposed that would have an adverse effect on the Scheme.
- c. We do not express an opinion as to any tax or other consequences that might arise from the Scheme of Amalgamation nor does our opinion address any legal, tax, regulatory or accounting matters, as to which we understand that the Companies have obtained such advice as it deemed necessary from qualified professionals.
- d. We assume no responsibility for updating or revising our opinion based on circumstances or events occurring after the date hereof. Our opinion is specific to the arrangement as contemplated in the Scheme of Amalgamation provided to us and is not valid for any other purpose.
- e. Our engagement and opinion expressed herein are for the use of Board of Directors of the Companies in connection with the Scheme of Amalgamation and for no other purpose. Neither we nor any of our affiliates, partners, directors, shareholders, managers, employees or agents or any of them make any representation or warranty, express or implied, as to the information and documents provided to us, based on which the opinion has been issued. All such parties and entities expressly disclaim any and all liability for or based on or relating to any such information contained therein.
- f. No decision should be taken based on this Report by any person intending to provide finance or invest in shares of the Companies and shall do so after seeking their own professional advice and carrying out their own due diligence to ensure that they are making an informed decision.

“E-Letter”

May 28, 2021

The Company Secretary,
Milkfood Ltd.
 PO Bahadurgarh, Patiala, Punjab, 147021

Sir,

Sub: Observation letter regarding draft scheme of amalgamation between Triputi Infrastructure Private Limited and Milkfood Limited.

We are in receipt of the Draft Scheme of Amalgamation of Milkfood Limited filed as required under SEBI Circular No. CFD/DIL3/CIR/2017/21 dated March 10, 2017; SEBI vide its letter dated May 27, 2021 has inter alia given the following comment(s) on the draft scheme of Reduction:

- “Company shall duly comply with various provisions of the Circular.”
- “Company shall ensure that additional information and undertakings, if any, submitted by the Company, after filing the Scheme with the Stock Exchanges, and from the date of receipt of this letter is displayed on the websites of the listed company and the stock exchanges.”
- “Company is advised that the observations of SEBI/Stock Exchanges shall be incorporated in the petition to be filed before National Company Law Tribunal (NCLT) and the company is obliged to bring the observations to the notice of NCLT.”
- “It is to be noted that the petitions are filed by the company before NCLT after processing and communication of comments/observations on draft scheme by SEBI/stock exchange. Hence, the company is not required to send notice for representation as mandated under section 230(5) of Companies Act, 2013 to SEBI again for its comments / observations / representations.”

Accordingly, based on aforesaid comment offered by SEBI, the company is hereby advised:

- To provide additional information, if any, (as stated above) along with various documents to the Exchange for further dissemination on Exchange website.
- To ensure that additional information, if any, (as stated aforesaid) along with various documents are disseminated on their (company) website.
- To duly comply with various provisions of the circulars.

In light of the above, we hereby advise that we have no adverse observations with limited reference to those matters having a bearing on listing/de-listing/continuous listing requirements within the provisions of Listing Agreement, so as to enable the company to file the scheme with Hon'ble NCLT.

Further, where applicable in the explanatory statement of the notice to be sent by the company to the shareholders, while seeking approval of the scheme, it shall disclose information about unlisted company involved in the format prescribed for abridged prospectus as specified in the circular dated March 10, 2017.

Kindly note that as required under Regulation 37(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the validity of this Observation Letter shall be six months from the date of this Letter, within which the scheme shall be submitted to the NCLT.

The Exchange reserves its right to withdraw its 'No adverse observation' at any stage if the information submitted to the Exchange is found to be incomplete / incorrect / misleading / false or for any contravention of Rules, Bye-laws and Regulations of the Exchange, Listing Agreement, Guidelines/Regulations issued by statutory authorities.

Please note that the aforesaid observations does not preclude the Company from complying with any other requirements.

Further, it may be noted that with reference to Section 230 (5) of the Companies Act, 2013 (Act), read with Rule 8 of Companies (Compromises, Arrangements and Amalgamations) Rules 2016 (Company Rules) and Section 66 of the Act read with Rule 3 of the Company Rules wherein pursuant to an Order passed by the Hon'ble National Company Law Tribunal, a Notice of the proposed scheme of compromise or arrangement filed under sections 230-232 or Section 66 of the Companies Act 2013 as the case may be **is required to be served upon the Exchange seeking representations or objections if any.**

In this regard, with a view to have a better transparency in processing the aforesaid notices served upon the Exchange, the Exchange has **already introduced an online system of serving such Notice along with the relevant documents of the proposed schemes through the BSE Listing Centre.**

Any service of notice under Section 230 (5) or Section 66 of the Companies Act 2013 seeking Exchange's representations or objections if any, **would be accepted and processed through the Listing Centre only and no physical filings would be accepted.** You may please refer to circular dated February 26, 2019 issued to the company.

Yours faithfully,

Sd/-

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MILKFOOD LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Milkfood Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Emphasis of matter:

Attention is drawn to the Note no 4 regarding biological asset, Note no 6(i) & (ii) regarding trade receivable, Note no 7(i) regarding security deposit, Note no 7(ii) regarding Loans to employee, Note no 8(iii) regarding Advance to Suppliers and insurance claim receivable, Note no 9(i) regarding non-moving stock, Note no 13(iii) regarding GST amount voluntarily deposited under protest, Note no 17(i) regarding classification of security deposit received, note no. 39 regarding covid -19 pandemic effect

Our opinion is not qualified in respect of these matters.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

The Key Audit Matter	How the matter was addressed in our audit
<p>The company operates in various states within India, exposing it to a variety of different Central and State Laws, regulations and interpretations thereof. In this regulatory environment, there is an inherent risk of litigation and claims.</p> <p>Consequently, provisions and contingent liability disclosures may arise from direct and indirect tax proceeding, legal proceedings including regulatory and other government/department proceedings, as well as investigations by authorities and commercial claims.</p> <p>At March 31, 2021, the Company's contingent liabilities for legal matters were Rs. 78 Lakhs (refer Note to the standalone financial statement) and provision for legal matters aggregated Nil. This represents tax of</p>	<p>Our procedures included:</p> <p>Reviewing the outstanding litigations against the Company for consistency with the previous years. Enquire and obtain explanations for movement during the year.</p> <p>Discussing the status of significant known actual and potential litigations with the Company's in-house officials and other senior management personnel who have knowledge of these matters and assessing their responses.</p> <p>Reading the latest correspondence between the Company and the various tax/legal authorities and review of correspondence with / legal opinions obtained by the management, from external legal advisors, where applicable, for significant matters</p>

Rs.71 Lakhs levied u/s 47 of Rajasthan Sales Tax Act, 1994. The tax has been levied on account of non-deposit of sale tax by the consignment agent of the company. Department is of the view that liability of principal and agent is joint and several. The remaining Rs 7 lacs represent the claim against the company that have not been acknowledged as debt.

GST Receivable

The Company has partially deposited the amount of Rs 16.27 crores voluntarily under protest towards GST in respect of verification conducted by the department regarding input tax credit of four dealers. As per information given by the company it has not received any show cause notice. Further it has been informed that company is legally advised of its success as it has made the payment through banking channels.

Management applies significant judgment in estimating the likelihood of the future outcome in each case when considering whether, and how much, to provide or in determining the required disclosure for the potential exposure of each matter. This is due to the highly complex nature and magnitude of the legal matters involved along with the fact that resolution of tax and legal proceedings may span over multiple years, and may involve protracted negotiation or litigation.

These estimates could change substantially

and considering the same in evaluating the appropriateness of the Company's provisions or disclosures on such matters.

Examining the Company's legal expenses and reading the minutes of the board meetings, in order to ensure that all cases have been identified,

With respect to tax matters, involving our tax specialists, and discussing with the Company's tax officers, their views and strategies on significant cases, as well as the related technical grounds relating to their conclusions based on applicable tax laws.

Assessing the decisions and rationale for provisions held or for decisions not to record provisions or make disclosures.

For those matters where management concluded that no provisions should be recorded, considered the adequacy and completeness of the Company's disclosures.

We have verified the challans and relied upon the assertions of the management.

overtime as new facts emerge as each legal case progresses.

Given the inherent complexity and magnitude of potential exposures across the country and the judgment necessary to estimate the amount of provisions required or to determine required disclosures, this is a key audit matter.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial

statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in the paragraph 3 and 4 of the order.
2. With respect to matter to be included in the Auditor's report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the Company has paid/provided the managerial remuneration to its whole time/Managing Director in accordance with the provisions of the Companies Act subject to approval by special resolution by the shareholder for the year ended March 31, 2021. As required by Section 143 (3) of the Act, we report that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) the balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and the statement of cash flow dealt with by this Report are in agreement with the books of account;
- (d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) on the basis of the written representations received from the directors taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- the Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - the Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - there were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure - A to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the **Milkfood Limited ("the company")** on the standalone financial statements for the year ended 31 March 2021, we report that:

- (i) In respect of fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a programme of verification of fixed assets to cover all the items in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to the said programme, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company. Original copy of title deeds have not been produced as the same are deposited as security with banks under loan agreement as confirmed by the management.
- (ii) Physical verification of the inventory has been conducted by the management at the end of the year and no material discrepancies were noticed.
- (iii) As per information and explanations given to us, Company has not granted any loans to parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Thus, paragraph 3(iii) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not given any loans and made any investment within the meaning of section 185 & 186 of the Act. Thus, paragraph 3(iv) of the Order is not applicable to the Company.
- (v) According to the information and explanation given to us, the company has not accepted any deposits during the year. It is also confirmed by the company that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.

- (vi) According to the information and explanations given to us and on the basis of our review of the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules, 2014 prescribed by the Central Government under Section 148(1) of the Companies Act, 2013 we are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.
- (vii) In respect of statutory dues:
 - (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has generally been regular in depositing undisputed statutory dues, including provident Fund, Employees State insurance, income tax, sales tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of the aforesaid statutory dues in arrears as at 31.03.2021 for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise or value added tax, which have not been deposited as at 31.03.2021 on account of any dispute.
- (viii) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowing to a financial institution, bank, Government during the year.
- (ix) In our opinion and according to the information and explanation given to us, the moneys raised by way of term loans during the year have been applied by the company for the purposes for which they were obtained.
- (x) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided managerial remuneration subject to special resolution passed by the shareholders, the approval mandated by the provisions of section 197 read with Schedule V to the Act. It has been informed that the required approval will be obtained in the ensuing AGM of the company.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company and as certified by the management, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Milkfood Limited** ("the Company") as of 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE 1 . CORPORATE INFORMATION & SIGNIFICANT ACCOUNTING POLICIES

Milkfood Limited ("the Company") is a public limited company domiciled in India and incorporated under the provisions of the Indian Companies Act. The registered office of the Company is located at P.O. Bahadurgarh-147021 Distt. Patiala (Punjab), India. Its shares are listed on Bombay Stock Exchange (BSE). The Company is primarily engaged in the manufacture and sale of dairy products. The company has two manufacturing locations, one in the state of Punjab at Patiala and one in the state of Uttar Pradesh at Moradabad.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation and compliance with Ind AS

- (i) The Company prepared its financial statements in accordance with Generally Accepted Accounting Principles (GAAP) in India and complied with the accounting standards as notified under Section 133 of the Companies Act, 2013 read together with Rule 4A of the Companies (Accounts) Rules, 2014, as amended, to the extent applicable, and the presentation requirements of the Companies Act, 2013.
- (ii) These financial statements were approved for issue by the Board of Directors on June 30, 2021.
- (iii) Transactions in currencies other than the Company's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the relevant dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at the end of that date. Exchange differences on monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.

Non- monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

2.2 Current versus non-current classification

All assets and Liabilities have been classified as current or non current considering the operating cycle of 12 months.

Deferred tax assets and liabilities are classified as non –current assets and liabilities respectively.

me

2.3 Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using deemed cost convention and on an accrual method of accounting, except for defined benefit plans which have been measured at actuarial valuation as required by relevant Ind ASs.

2.4 Fair value measurement

Fair value is the price that would be received to sell an assets or paid to transfer a liabilities in an orderly transaction between market participants at the measurement date. Fair value for measurement and / or disclosed in these financial statement is determined on such a basis.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, which are described as follows ; level I - III

Level I input

Level I input are quoted price in active market for identical assets or liabilities that the entity can access at the measurement date. A quoted market in an active market provided the most reliable evidence of fair value and is used without adjustment to measure fair value whenever available , with limited exception . If an entity hold a position in a single assets or liabilities and the assets or liabilities is traded in an active market, the fair value of assets or liabilities held by the entity, even if the market normal daily trading volume is not sufficient to absorb the quantity held and placing orders to sell the position in a single transaction might affect the quoted price.

Level II input

Level II input are input other than quoted market prices included within level I that are observable for the assets or liabilities either directly or indirectly.

Level II inputs include:

- quoted price for similarly assets or liabilities in active market.
- quoted price for identical or similar assets or liabilities in market that are not active.
- input other than quoted prices that are observable for the assets or liabilities , for example – interest rate and yield curve observable at commonly quoted interval.
- implied volatilisise.
- credit spreads.
- input that are derived principally from or corroborated market data correlation or other means ('market corroborated inputs').

Level III input

Level III inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the

measurement date. An entity develops unobservable inputs using the best information available in the circumstances, which might include the entity's own data, taking into account all information about market participant assumptions that is reasonably available.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.5 Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency. All financial information presented in Rupees has been rounded to the nearest lakh.

2.6 Property, Plant and Equipment

(i) Property, plant and equipment

The Company had applied Ind AS 16 with retrospective effect for all of its property, plant and equipment as at the transition date, viz., 1 April 2016.

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the present value of the expected cost for the decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

When an item of property, plant and equipment is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in statement of Profit & Loss.

A handwritten signature in blue ink, appearing to be "msh".

(ii) Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Cost includes financing cost relating to borrowed funds attributable to construction.

(iii) Depreciation

The Company depreciates property, plant and equipment over the useful life as prescribed in schedule II of the Companies Act 2013 on the straight-line method from the date the assets are ready for intended use as described in para (ii) above. Assets in the course of construction and freehold land are not depreciated.

The estimated useful lives of assets are as follows:

- Buildings 30-60 years
- Plant and equipments 20 years*
- Furniture and fixtures 8 -10 years
- Vehicles 6 - 10 years (Instead of 8 – 10 years as prescribed under schedule II)
- Office equipments 3 - 6 years

(Including computer software)

*The management has reassessed the remaining useful life of Plant & Machinery with effect from 1st April 2014 in respect of Plant & Machinery, the company is consistently following the policy of charging depreciation over 20 years, notwithstanding certification by the Govt. approved valuer (Chartered Engineer) of the useful life of Plant & Machinery of more than 35 years. This is in pursuance of proviso to sub clause (c) of clause 3 of schedule II of the Companies Act 2013.

Similarly for addition of Plant & Machinery during the year company has estimated the useful life of 20 years (15 years specified in Schedule II) based upon the certificate of suppliers / manufacturers of Plant & Machinery obtained in earlier years.

2.7 Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates

ml

2.8 Impairment of Assets

At the end of each reporting period, the Company assesses whether there is any indication that an assets or a group of assets (cash generating unit) may be impaired. If any such indication exists, the recoverable amount of the asset or cash generating unit is estimated in order to determine the extent of impairment loss (if any). If it is not possible to estimate the recoverable amount of an individual asset, the entity should determine the recoverable amount of the Cash Generated Unit (CGU) to which the asset belongs.

It is not possible to estimate the recoverable amount of the individual asset if:

- The asset's Value in use (VIU) cannot be estimated to be close to its fair value less cost to sell (FLVCS).
- The asset does not generate cash inflows that are largely independent of those from other assets.

Recoverable amount is the higher of fair value less cost of disposal and value in use. In assessing the value in use, the estimated future cash flow are discounted at their present value using the pre-tax discount rate that reflects current market assessment of time value of money and the risks specific to the assets for which the estimates of future cash flow have not been adjusted.

If the recoverable amount of an assets (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the assets (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of Profit & Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss recognized immediately in the statement of Profit & Loss.

2.9 Cash and Cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

2.10 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

(i) Initial recognition and measurement:

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the statement of profit and Loss.

(ii) Subsequent measurement of financial assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(iii) Derecognition of financial assets :

The Company derecognises a financial asset when and only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in the Statement of Profit and Loss if such gain or loss would have otherwise been recognized in the Statement of Profit and loss on disposal of that financial asset.

(iv) Impairment of financial assets:

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

(v) Subsequent measurement of financial liabilities:

All the financial liabilities are subsequently measured at amortized cost using the effective interest rate method or at fair value through profit and loss. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

(vi) Derecognition of financial liabilities

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such on exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

2.11 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss, net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.12 Inventories

Inventories are valued at the lower of cost and net realisable value except scrap and by products which are valued at net realisable value. Costs comprises as follow;

- (i) **Raw materials:** Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- (ii) **Finished goods and work in progress:** Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on weighted average basis. In pursuance of IND AS-2 indirect production overheads (estimated by the Management) have been allocated for ascertainment of cost.
- (iii) **Net realisable value** is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Obsolete inventories are identified and written down to net realisable value. Slow moving and defective inventories are identified and provided to net realisable value. Inventories

(including whey powder - by product) are valued on lower of cost or net realizable value. In pursuance of IND AS-2 indirect production overheads (estimated by the Management) have been allocated for ascertainment of cost.

2.13 Retirement Benefits

Company follows IND AS-19 as detailed below:-

- (a) Short-term benefits are recognized as expense at the undiscounted amount in the Statement of Profit & Loss of the year in which the related service is rendered.
- (b) Company provides bonus to eligible employees as per Bonus Act 2016 and accordingly liability is provided on actual cost at the end of the year.
- (c) Provident Fund:

The eligible employees of the company are entitled to receive benefits under the Provident Fund, a defined contribution plan in which both employees and the company make monthly contributions at a specified percentage of the covered employee's salary. The contributions as specified under the law are paid to the respective Regional Provident Fund Commissioner and the Central Provident Fund under the State Pension Scheme.

- (d) The Company has an obligation towards gratuity a defined benefit retirement plan covering all employees. The plan provides for a lumpsum payment to employees at retirement/determination of service on the basis of 15 days terminal salary for each completed year of service subject to maximum amount of Rs. 20 Lacs.

Company's liability towards gratuity and compensated absences is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income (OCI) in the period in which they occur. Remeasurement recognized in the other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the defined benefit liability or asset.

Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

2.14 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable taking

in to account contractually defined terms of payment excluding others taxes or duties collected on behalf of the government. Specific recognition criteria described below must also be met before revenue is recognized.

- (a) Export sales are recognized on the basis of date of bill of lading.
- (b) Export entitlements i.e. duty free scrip and duty draw back are accounted for on the basis of export of goods on FOB value determined for custom purpose.
- (c) Conversion charges are recognized on completion of jobs.
- (d) Interest Income is recorded on time proportion basis using the effective rate of Interest (EIR).
- (e) Carbon Credits are recognized on realization basis.

2.15 Manufacturing policy

The main raw material of the company is milk, which is used to produce Pure Ghee and various types of Milk Powders. For the last few years, the company has changed its policy to produce Pure Ghee and Milk Powders which conforms to the quality standards adopted by the company consistent with its brand image. Quantities of Pure Ghee and Milk Powders are purchased and processed in the plant to give effect to the manufacturing policy and produce a product of high quality on consistent basis. Company has utilized its facilities for conversion of Milk to Ghee / Butter & Milk Powder on job works basis.

2.16 Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

10

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Sales/ value added taxes paid on acquisition of assets or on incurring expenses.

Expenses and assets are recognised net of the amount of sales/ value added taxes paid, except:

When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

When receivables and payables are stated with the amount of tax included, the net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

2.17 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.18 Foreign Currency Transactions

Foreign Currency Transactions involving export sales are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and

Handwritten signature/initials

the foreign currency on the customs rate on the date of dispatch of goods. The difference between the rates recorded and the rates on the date of actual realization is transferred to difference in exchange fluctuation account. At the year end, the balances are converted at the year end rate and difference if any between the book balance and converted amount are transferred to the exchange fluctuation account. The premium or discount arising at the inception of a forward exchange contract is amortized as expenses / income over the life of the contract. Any profit or loss arising on cancellation or renewal of such a forward contract is recognized as income / expenses for the period. Non-monetary items that are measured in historical cost in a foreign currency are not retranslated.

2.19 Earning per shares

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares

2.20 Segment Reporting

The company is operating under a single segment i.e., "Dairy Products- comprising Ghee, Milk Powder, Casein, Whey powder and Dairy whitener" and therefore there are no reportable segments as per IND AS-108 "Segment Reporting" issued under section 133 of Companies Act 2013 read with rules 4A of Companies (Indian Accounting Standards) rules 2015.

2.21 Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

2.22 Contingent liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the standalone Ind AS financial statements.

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or

W

present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under operating leases are recognised as an expense on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

2.24 Use of estimates and judgments

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which is known/materialised.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

- (i) Property, Plant and Equipments –
- (ii) Intangible assets -
- (iii) Taxes on income -
- (iv) Retirement and other employee benefits -

Note: 36. Financial risk management objectives and policies

The company's principal financial liabilities comprise borrowings, Security Deposits Received trade and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets include , trade and other receivables, cash and cash equivalents and security deposits that are out of regular business operations.

The company is exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument that will fluctuate be-cause of changes in market prices. Market risk comprises three types of risk i.e. interest rate risk, currency risk and other price risk, such as commodity risk. Financial instruments affected by market risk include borrowings, trade payables.

i. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rate relates primarily to the company's borrowings with floating interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on borrowings affected. With all other variables held constant, the company's profit before tax is affected through the impact on floating rate borrowings, as follows:

	31-Mar-21		31-Mar-20	
	1% increase	1% decrease	1% increase	1% decrease
Impact on profit before tax	(77)	77	(64)	64

ii. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. There does not seem to be any significant risk as transaction in foreign currency are very few.

As there is no significant foreign currency risk, sensitivity analysis showing impact on profit is not calculated.

iii. Commodity price risk

The Prices of the raw material keep fluctuating frequently and the company passes the same to the customers through appropriate adjustment to selling prices.

(b) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments if a counterparty default on its obligations. The company's exposure to credit risk arises majorly from trade and other receivables. Other financial assets like security deposits and bank deposits are mostly with government authorities and nationalised banks and hence, the company does not expect any credit risk with respect to these financial assets. In majority of cases of Trade receivables are collected in time. However, the collection period from the trade receivables during the year has extended due to COVID 19 Pandemic. Expected Credit Loss is too low considering the past record and management does not foresee any significant change in the same due to COVID 19 Pandemic.

(c) Liquidity risk				
The company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank borrowings and security from vendors. The table below summarises the maturity profile of the company's financial liabilities:				
	Maturities			Total
	Upto 1 year	1-2 years	2-4 years	
31-Mar-21				
Non-current borrowings	-	1,045	532	1,577
Current borrowings*	4,666	-	-	4,666

Note: 37. Capital management

For the purpose of the company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders. The primary objective of the company's capital management is to ensure that it maintains a good credit rating and capital ratios in order to support its business and maximise shareholder value.

The company monitors capital using a gearing ratio, which is net debt divided by total capital. The company includes within net debt, all non-current and current borrowings reduced by cash and cash equivalents and other bank balances.

	Notes	As at March 31, 2021	As at March 31, 2020
Non-current borrowings		1,577	1,162
Current maturities of non-current borrowings		1,044	1,356
Current borrowings		4,666	4,888
Less: Cash and cash equivalents		92	258
Net debt		7,195	7,148
Equity share capital		489	489
Other equity		11,415	11,180
Total capital		11,904	11,669
Gearing ratio		60%	61%

In order to achieve this overall objective, the company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing borrowings that define capital structure requirements. The breaches in meeting the financial covenants would permit the bank to immediately call borrowings. There have been no breaches in the financial covenants of any interest-bearing borrowings in the current year.

No significant changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2021 and March 31, 2020.

Note 38. Fair value

Fair value measurement:

- (i) All the financial assets and financial liabilities of the company are carried at amortised cost.
- (ii) The management assessed that the carrying values of trade and other receivables, deposit, cash and short term deposits, other assets, borrowings, trade and other payables reasonably approximate their fair values because these instruments have short-term maturities.
- (iii) It is view of the management that fair value impact of long term security deposits/loan paid or payable would not be material.

The outbreak of Covid-19 pandemic has caused significant disturbance and slowdown of economic activities globally. The lockdowns ordered by most of the State Government have resulted in slow down in economic activities and also the business operations of the Company in terms of sales and production. The total turnover of the company has fallen by Rs 18350 Lacs resulting in decline in the Profits before tax by Rs 551Lacs. The management has considered the effects that has resulted from the pandemic on the generation of revenue, stocks, recoverability of Trade Receivables and carrying value of the assets. Based on the current indicators of future economic conditions and company engaged in dairy business (essential services), the management expects to generate sufficient revenue, recover the receivables and dispose of stocks. However, the situation with Covid 19 is still evolving and various preventive measures taken by the Government of India will help the industry to come out of its after effects. The management is closely monitoring the situation regarding any material changes in future economic conditions. Given the uncertainties, the final impact on Company's ability to recover assets in future may differ from that estimated as at the date of approval of these financial results. The Production Capacity of one plant remained under utilized due to lower demand of Bulk Pack - Ghee on account of Covid 19 pandemic. Management is of the view that this is the temporary phase and the plant will be substantially utilized for generating revenue when the demand of Bulk Pack - Ghee increases in the subsequent financial year as the pandemic situation improves.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MILKFOOD LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Milkfood Limited (hereinafter referred to as the "Holding Company"), and its subsidiary (Holding Company and its subsidiary together referred to as "the Group") which comprise the consolidated balance sheet as at March 31, 2021, the consolidated statement of profit and loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of report of other auditor on separate financial statement of such subsidiary as was audited by the other auditor, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Emphasis of matter:

Attention is drawn to the Note no 4 regarding biological asset, Note no 6(i) & (ii) regarding trade receivable, Note no 7(i) regarding security deposit, Note no 7(ii) regarding Loans to employee, Note no 8(iii) regarding Advance to Suppliers and insurance claim receivable, Note no 9(i) regarding non-moving stock, Note no 13(iii) regarding GST amount voluntarily deposited under protest, Note no 17(i) regarding classification of security deposit received, note no. 39 regarding covid -19 pandemic effect

Our opinion is not qualified in respect of these matters.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

The Key Audit Matter	How the matter was addressed in our audit
<p>The Group operates in various states within India, exposing it to a variety of different Central and State Laws, regulations and interpretations thereof. In this regulatory environment, there is an inherent risk of litigation and claims.</p> <p>Consequently, provisions and contingent liability disclosures may arise from direct and indirect tax proceeding, legal proceedings including regulatory and other government/department proceedings, as well as investigations by authorities and commercial claims.</p> <p>At March 31, 2021, the Group's contingent liabilities for legal matters were Rs. 78 Lakhs (refer Note to the consolidated</p>	<p>Our procedures included:</p> <p>Reviewing the outstanding litigations against the Group for consistency with the previous years. Enquire and obtain explanations for movement during the year.</p> <p>Discussing the status of significant known actual and potential litigations with the Group's in-house officials and other senior management personnel who have knowledge of these matters and assessing their responses.</p> <p>Reading the latest correspondence between the Group and the various tax/legal authorities and review of correspondence with / legal opinions obtained by the</p>

financial statement) and provision for legal matters aggregated Nil. This represent tax of Rs.71 Lakhs levied u/s 47 of Rajasthan Sales Tax Act, 1994. The tax has been levied on account of non-deposit of sale tax by the consignment agent of the holding company. Department is of the view that liability of principal and agent is joint and several. The remaining Rs 7 lacs represent the claim against the company that have not been acknowledged as debt.

GST Receivable

The Group has partially deposited the amount of Rs 16.27 crores voluntarily under protest towards GST in respect of verification conducted by the department regarding input tax credit of four dealers. As per information given by the Group it has not received any show cause notice. Further it has been informed that Group is legally advised of its success as it has made the payment through banking channels.

Management applies significant judgment in estimating the likelihood of the future outcome in each case when considering whether, and how much, to provide or in determining the required disclosure for the potential exposure of each matter. This is due to the highly complex nature and magnitude of the legal matters involved along with the fact that resolution of tax and legal proceedings may span over multiple years, and may involve protracted negotiation or litigation.

management, from external legal advisors, where applicable, for significant matters and considering the same in evaluating the appropriateness of the Group's provisions or disclosures on such matters.

Examining the Group's legal expenses and reading the minutes of the board meetings, in order to ensure that all cases have been identified.

With respect to tax matters, involving our tax specialists, and discussing with the Group's tax officers, their views and strategies on significant cases, as well as the related technical grounds relating to their conclusions based on applicable tax laws.

Assessing the decisions and rationale for provisions held or for decisions not to record provisions or make disclosures.

For those matters where management concluded that no provisions should be recorded, considered the adequacy and completeness of the Group's disclosures.

We have verified the challans and relied upon the assertions of the management

These estimates could change substantially overtime as new facts emerge as each legal case progresses.

Given the inherent complexity and magnitude of potential exposures across the Group and the judgment necessary to estimate the amount of provisions required or to determine required disclosures, this is a key audit matter.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed and based on the audit report of other auditor, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs, consolidated total comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and

maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding and subsidiary Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group is responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures; and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entity included in the consolidated financial statements of which we are the independent auditor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of a wholly own subsidiary, whose financial statements reflect total assets of Rs. Nil as at March 31, 2021, total revenues of Rs. Nil and net Losses amounting to Rs. 26,930 for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Holding Company's management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this

subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the audit reports of other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/financial information certified by the Holding Company's Management.

Report on Other Legal and Regulatory Requirements

1. With respect to matter to be included in the Auditor's report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, and based on the reports of the statutory auditors of subsidiary company, the Group has paid/provided any managerial remuneration to its wholetime/ Managing director for the year ended March 31, 2021. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements of such subsidiary as audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of aforesaid consolidated financial statement.
- (b) in our opinion proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books;
- (c) the consolidated balance sheet, the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flow dealt with by this Report are in agreement with the books of account;
- (d) in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) on the basis of the written representations received from the directors of the Holding Company taken on record by the Board of Directors of the holding Company and the report of the statutory auditor of its subsidiary incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164 (2) of the Act;

- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiary, as noted in 'Other Matters' paragraph:
- i. the Group has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. the Group did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. there were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Group.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In conjunction with our audit of the consolidated financial statements of the **Milkfood Limited** (hereinafter referred to as "Holding Company") as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of the Holding Company and its Subsidiary Company (Holding Company and its subsidiary together referred to as "the Group") incorporated in India under the Companies Act, 2013, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a

material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us and the other auditor of the subsidiary incorporated in India in terms of their report referred in other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, based on consideration of reports of other auditors as referred in other matters paragraph, the Holding Company and its a subsidiary incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls were operating effectively as at 31 March 2021, based on the internal financial control over financial reporting criteria established by such companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Other aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial control over financial reporting in so far as it relates to a subsidiary company, which is company incorporated in India, is based on corresponding reports of the auditor of such company.

NOTE 1 . CORPORATE INFORMATION & SIGNIFICANT ACCOUNTING POLICIES

Milkfood Limited ("the Company") is a public limited company domiciled in India and incorporated under the provisions of the Indian Companies Act. The registered office of the Company is located at P.O. Bahadurgarh-147021 Distt. Patiala (Punjab), India. Its shares are listed on Bombay Stock Exchange (BSE). The Company is primarily engaged in the manufacture and sale of dairy products. The company has two manufacturing locations, one in the state of Punjab at Patiala and the other in the state of Uttar Pradesh at Moradabad. The company has one subsidiary which are domiciled in India and incorporated under the provisions of the Indian Companies Act. The company and its subsidiary together referred as "the Group". The activities of subsidiary company are not significant. The expression company used in succeeding paragraph means Milkfood Limited (Holding Company).

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation and compliance with Ind AS

- (i) The Company prepared its financial statements in accordance with Generally Accepted Accounting Principles (GAAP) in India and complied with the accounting standards as notified under Section 133 of the Companies Act, 2013 read together with Rule 4A of the Companies (Accounts) Rules, 2014, as amended, to the extent applicable, and the presentation requirements of the Companies Act, 2013.
- (ii) These financial statements were approved for issue by the Board of Directors on June 30, 2021.
- (iii) Transactions in currencies other than the Company's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the relevant dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at the end of that date. Exchange differences on monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.

Non- monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

2.2 Current versus non-current classification

All assets and Liabilities have been classified as current or non current considering the operating cycle of 12 months.

Deferred tax assets and liabilities are classified as non –current assets and liabilities respectively.

2.3 Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using deemed cost convention and on an accrual method of accounting, except for defined benefit plans which have been measured at actuarial valuation as required by relevant Ind ASs.

2.4 Fair value measurement

Fair value is the price that would be received to sell an assets or paid to transfer a liabilities in an orderly transaction between market participants at the measurement date. Fair value for measurement and / or disclosed in these financial statement is determined on such a basis.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, which are described as follows ; level I - III

Level I input

Level I input are quoted price in active market for identical assets or liabilities that the entity can access at the measurement date, A quoted market in an active market provided the most reliable evidence of fair value and is used without adjustment to measure fair value whenever available , with limited exception . If an entity hold a position in a single assets or liabilities and the assets or liabilities is traded in an active market, the fair value of assets or liabilities held by the entity, even if the market normal daily trading volume is not sufficient to absorb the quantity held and placing orders to sell the position in a single transaction might affect the quoted price.

Level II input

Level II input are input other than quoted market prices included within level I that are observable for the assets or liabilities either directly or indirectly.

Level II inputs include:

- quoted price for similarly assets or liabilities in active market.
- quoted price for identical or similar assets or liabilities in market that are not active.
- input other than quoted prices that are observable for the assets or liabilities , for example – interest rate and yield curve observable at commonly quoted interval.
- implied volatilise.
- credit spreads.
- input that are derived principally from or corroborated market data correlation or other means ('market corroborated inputs').

Level III input

Level III inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the

measurement date. An entity develops unobservable inputs using the best information available in the circumstances, which might include the entity's own data, taking into account all information about market participant assumptions that is reasonably available.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.5 Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency. All financial information presented in Rupees has been rounded to the nearest lakh.

2.6 Property, Plant and Equipment

(i) Property, plant and equipment

The Company had applied Ind AS 16 with retrospective effect for all of its property, plant and equipment as at the transition date, viz., 1 April 2016.

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the present value of the expected cost for the decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

When an item of property, plant and equipment is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in statement of Profit & Loss.

(ii) Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Cost includes financing cost relating to borrowed funds attributable to construction.

(iii) Depreciation

The Company depreciates property, plant and equipment over the useful life as prescribed in schedule II of the Companies Act 2013 on the straight-line method from the date the assets are ready for intended use as described in para (ii) above. Assets in the course of construction and freehold land are not depreciated.

The estimated useful lives of assets are as follows:

- Buildings 30-60 years
- Plant and equipments 20 years*
- Furniture and fixtures 8 -10 years
- Vehicles 6 - 10 years (Instead of 8 – 10 years as prescribed under schedule II)
- Office equipments 3 - 6 years

(Including computer software)

*The management has reassessed the remaining useful life of Plant & Machinery with effect from 1st April 2014 in respect of Plant & Machinery, the company is consistently following the policy of charging depreciation over 20 years, notwithstanding certification by the Govt. approved valuer (Chartered Engineer) of the useful life of Plant & Machinery of more than 35 years. This is in pursuance of proviso to sub clause (c) of clause 3 of schedule II of the Companies Act 2013.

Similarly for addition of Plant & Machinery during the year company has estimated the useful life of 20 years (15 years specified in Schedule II) based upon the certificate of suppliers / manufacturers of Plant & Machinery obtained in earlier years.

2.7 Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future

economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates

2.8 Impairment of Assets

At the end of each reporting period, the Company assesses whether there is any indication that an assets or a group of assets (cash generating unit) may be impaired. If any such indication exists, the recoverable amount of the asset or cash generating unit is estimated in order to determine the extent of impairment loss (if any). If it is not possible to estimate the recoverable amount of an individual asset, the entity should determine the recoverable amount of the Cash Generated Unit (CGU) to which the asset belongs.

It is not possible to estimate the recoverable amount of the individual asset if:

- The asset's Value in use (VIU) cannot be estimated to be close to its fair value less cost to sell (FLVCS).
- The asset does not generate cash inflows that are largely independent of those from other assets.

Recoverable amount is the higher of fair value less cost of disposal and value in use. In assessing the value in use, the estimated future cash flow are discounted at their present value using the pre-tax discount rate that reflects current market assessment of time value of money and the risks specific to the assets for which the estimates of future cash flow have not been adjusted .

If the recoverable amount of an assets (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the assets (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of Profit & Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss recognized immediately in the statement of Profit & Loss.

2.9 Cash and Cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

2.10 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

(i) Initial recognition and measurement:

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the statement of profit and Loss.

(ii) Subsequent measurement of financial assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(iii) Derecognition of financial assets :

The Company derecognises a financial asset when and only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in the Statement of Profit and Loss if such gain or loss would have otherwise been recognized in the Statement of Profit and loss on disposal of that financial asset.

(iv) Impairment of financial assets:

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade

receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

(v) Subsequent measurement of financial liabilities:

All the financial liabilities are subsequently measured at amortized cost using the effective interest rate method or at fair value through profit and loss. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

(vi) Derecognition of financial liabilities

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such on exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

2.11 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss, net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.12 Inventories

Inventories are valued at the lower of cost and net realisable value except scrap and by products which are valued at net realisable value. Costs comprises as follow:

- (i) Raw materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- (ii) Finished goods and work in progress: Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on weighted average basis. In pursuance of IND AS-2 indirect production overheads (estimated by the Management) have been allocated for ascertainment of cost.

- (iii) Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.
- (iv) Obsolete inventories are identified and written down to net realisable value. Slow moving and defective inventories are identified and provided to net realisable value. Inventories (including whey powder - by product) are valued on lower of cost or net realizable value. In pursuance of IND AS-2 indirect production overheads (estimated by the Management) have been allocated for ascertainment of cost.

2.13 Retirement Benefits

Company follows IND AS-19 as detailed below:-

- (a) Short-term benefits are recognized as expense at the undiscounted amount in the Statement of Profit & Loss of the year in which the related service is rendered.
- (b) Company provides bonus to eligible employees as per Bonus Act 2016 and accordingly liability is provided on actual cost at the end of the year.
- (c) Provident Fund:

The eligible employees of the company are entitled to receive benefits under the Provident Fund, a defined contribution plan in which both employees and the company make monthly contributions at a specified percentage of the covered employee's salary. The contributions as specified under the law are paid to the respective Regional Provident Fund Commissioner and the Central Provident Fund under the State Pension Scheme.

- (d) The Company has an obligation towards gratuity a defined benefit retirement plan covering all employees. The plan provides for a lumpsum payment to employees at retirement/determination of service on the basis of 15 days terminal salary for each completed year of service subject to maximum amount of Rs. 20 Lacs.

Company's liability towards gratuity and compensated absences is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income (OCI) in the period in which they occur. Remeasurement recognized in the other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the defined benefit liability or asset.

Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

2.14 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable taking in to account contractually defined terms of payment excluding others taxes or duties collected on behalf of the government. Specific recognition criteria described below must also be met before revenue is recognized.

- (a) Export sales are recognized on the basis of date of bill of lading.
- (b) Export entitlements i.e. duty free scrip and duty draw back are accounted for on the basis of export of goods on FOB value determined for custom purpose.
- (c) Conversion charges are recognized on completion of jobs.
- (d) Interest Income is recorded on time proportion basis using the effective rate of Interest (EIR).
- (e) Carbon Credits are recognized on realization basis.

2.15 Manufacturing policy

The main raw material of the company is milk, which is used to produce Pure Ghee and various types of Milk Powders. For the last few years, the company has changed its policy to produce Pure Ghee and Milk Powders which conforms to the quality standards adopted by the company consistent with its brand image. Quantities of Pure Ghee and Milk Powders are purchased and processed in the plant to give effect to the manufacturing policy and produce a product of high quality on consistent basis. Company has utilized its facilities for conversion of Milk to Ghee / Butter & Milk Powder on job works basis.

2.16 Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences except when it is probable that the temporary differences will not reverse in the foreseeable future. Deferred tax assets are recognised for all deductible temporary differences, the

forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Sales/ value added taxes paid on acquisition of assets or on incurring expenses.

Expenses and assets are recognised net of the amount of sales/ value added taxes paid, except:

When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

When receivables and payables are stated with the amount of tax included, the net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

2.17 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.18 Foreign Currency Transactions

Foreign Currency Transactions involving export sales are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the customs rate on the date of dispatch of goods. The difference between the rates recorded and the rates on the date of actual realization is transferred to difference in exchange fluctuation account. At the year end, the balances are converted at the year end rate and difference if any between the book balance and converted amount are transferred to the exchange fluctuation account. The premium or discount arising at the inception of a forward exchange contract is amortized as expenses / income over the life of the contract. Any profit or loss arising on cancellation or renewal of such a forward contract is recognized as income / expenses for the period. Non-monetary items that are measured in historical cost in a foreign currency are not retranslated.

2.19 Earning per shares

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares

2.20 Segment Reporting

The company is operating under a single segment i.e., "Dairy Products- comprising Ghee, Milk Powder, Casein, Whey powder and Dairy whitener" and therefore there are no reportable segments as per IND AS-108 "Segment Reporting" issued under section 133 of Companies Act 2013 read with rules 4A of Companies (Indian Accounting Standards) rules 2015.

2.21 Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

2.22 Contingent liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the standalone Ind AS financial statements

2.23 Leases

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under operating leases are recognised as an expense on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

2.24 Use of estimates and judgments

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which is known/materialised.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

- (i) Property, Plant and Equipments –
- (ii) Intangible assets -
- (iii) Taxes on income -
- (iv) Retirement and other employee benefits -

Note: 36. Financial risk management objectives and policies

The company's principal financial liabilities comprise borrowings, Security Deposits Received trade and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets include , trade and other receivables, cash and cash equivalents and security deposits that are out of regular business operations.

The company is exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument that will fluctuate be-cause of changes in market prices. Market risk comprises three types of risk i.e. interest rate risk, currency risk and other price risk, such as commodity risk. Financial instruments affected by market risk include borrowings, trade payables.

i. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rate relates primarily to the company's borrowings with floating interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on borrowings affected. With all other variables held constant, the company's profit before tax is affected through the impact on floating rate borrowings, as follows:

	31-Mar-21		31-Mar-20	
	1% increase	1% decrease	1% increase	1% decrease
Impact on profit before tax	(77)	77	(64)	64

ii. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. There does not seem to be any significant risk as transaction in foreign currency are very few.

As there is no significant foreign currency risk, sensitivity analysis showing impact on profit is not calculated.

iii. Commodity price risk

The Prices of the raw material keep fluctuating frequently and the company passes the same to the customers through appropriate adjustment to selling prices.

(b) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments if a counterparty default on its obligations. The company's exposure to credit risk arises majority from trade and other receivables. Other financial assets like security deposits and bank deposits are mostly with government authorities and nationalised banks and hence, the company does not expect any credit risk with respect to these financial assets. In majority of cases of Trade receivables are collected in time. However, the collection period from the trade receivables during the year has extended due to COVID 19 Pandemic. Expected Credit Loss is too low considering the past record and management does not foresee any significant change in the same due to COVID 19 Pandemic.

(c) Liquidity risk

The company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank borrowings and security from vendors . The table below summarises the maturity profile of the company's financial liabilities:

	Maturities			Total
	Upto 1 year	1-2 years	2-4 years	
31-Mar-21				
Non-current borrowings	-	1,045	532	1,577
Current borrowings*	4,666	-	-	4,666
Trade payables	2,798	-	-	2,798
Other financial liabilities**	1,260	7,316	-	8,576
Total	8,724	8,361	532	17,617
31-Mar-20				
Non-current borrowings	-	951	212	1,163
Current borrowings*	4,888	-	-	4,888

Note: 37. Capital management

For the purpose of the company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders. The primary objective of the company's capital management is to ensure that it maintains a good credit rating and capital ratios in order to support its business and maximise shareholder value.

The company monitors capital using a gearing ratio, which is net debt divided by total capital. The company includes within net debt, all non-current and current borrowings reduced by cash and cash equivalents and other bank balances.

	Notes	As at March 31, 2021	As at March 31, 2020
Non-current borrowings		1,577	1,162
Current maturities of non-current borrowings		1,044	1,356
Current borrowings		4,666	4,888
Less: Cash and cash equivalents		92	258
Net debt		7,195	7,148
Equity share capital		489	489
Other equity		11,413	11,180
Total capital		11,902	11,669
Gearing ratio		60%	61%

In order to achieve this overall objective, the company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing borrowings that define capital structure requirements. The breaches in meeting the financial covenants would permit the bank to immediately call borrowings. There have been no breaches in the financial covenants of any interest-bearing borrowings in the current year.

No significant changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2021 and March 31, 2020.

Note 38. Fair value

Fair value measurement:

- (i) All the financial assets and financial liabilities of the company are carried at amortised cost.
- (ii) The management assessed that the carrying values of trade and other receivables, deposit, cash and short term deposits, other assets, borrowings, trade and other payables reasonably approximate their fair values because these instruments have short-term maturities.
- (iii) It is view of the management that fair value impact of long term security deposits/loan paid or payable would not be material.

MILKFOOD LIMITED**Consolidated Notes to financial statements for the year ended March 31, 2021****Note 39**

The outbreak of Covid-19 pandemic has caused significant disturbance and slowdown of economic activities globally. The lockdowns ordered by most of the State Government have resulted in slow down in economic activities and also the business operations of the Company in terms of sales and production. The total turnover of the company has fallen by Rs 18350 Lacs resulting in decline in the Profits before tax by Rs 551Lacs. The management has considered the effects that has resulted from the pandemic on the generation of revenue, stocks, recoverability of Trade Receivables and carrying value of the assets. Based on the current indicators of future economic conditions and company engaged in dairy business (essential services), the management expects to generate sufficient revenue, recover the receivables and dispose of stocks. However, the situation with Covid 19 is still evolving and various preventive measures taken by the Government of India will help the industry to come out of its after effects. The management is closely monitoring the situation regarding any material changes in future economic conditions. Given the uncertainties, the final impact on Company's ability to recover assets in future may differ from that estimated as at the date of approval of these financial results. The Production Capacity of one plant remained under utilized due to lower demand of Bulk Pack - Ghee on account of Covid 19 pandemic. Management is of the view that this is the temporary phase and the plant will be substantially utilized for generating revenue when the demand of Bulk Pack - Ghee increases in the subsequent financial year as the pandemic situation improves.

Independent Auditor's Report

To
The Members of
Triputi Infrastructure Private Limited

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **TRIPUTI INFRASTRUCTURE PRIVATE LIMITED** ("the company"), which comprise the Balance Sheet as at 31st March 2021, the Statement of Profit and Loss and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and its Loss for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors and Management is responsible for the preparation of the other information. The other information comprises the information obtained at the date of this auditor's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a

material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged With Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act,. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the order'), issued by the Central Government of India in terms of Sub Section (11) of Section 143 of the Act is not applicable to the company.
2. As required by Section 143(3) of the Act, we report that:

Independent Auditor's Report on the Quarterly and Year to Date Standalone Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations 2015, (as amended)

To

The Board of Directors of Milkfood Limited,
5th Floor, Bhandari House, Nehru Place
New Delhi-110019

Opinion

We have audited the accompanying standalone financial results of Milkfood Ltd (the "Company") for the quarter and year ended March 31, 2022 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- (i) is presented in accordance with the requirements of the Listing Regulations in this regard; and
- (ii) gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India of the net profit and other comprehensive income loss and other financial information of the Company for the quarter and year ended March 31, 2022.

Basis for Modified Opinion:

Attention is drawn to Note no.5 & 6 regarding re-evaluation of useful economic life and impairment of certain plant and machinery resulting in net credit on account of excess depreciation of Rs.2.72 crores in the financial results for the year ending 31st March 2022 and overstatement of other equity and non-current assets as on 31st March 2022 as per Ind As- 8.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditors Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note No.7 regarding GST, Note no 9 Regarding Advance to suppliers and Trade Receivables and Note No 10 regarding Security deposits

Our opinion is not modified in respect of aforesaid matters.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from

material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on

the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in financial results or, if such disclosures are inadequate, to modify our opinion. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The Statement includes the results for the quarter ended March 31, 2022 being the balancing figures between the audited figures in respect of the full financial year ended March 31, 2022 and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us as required under the Listing Regulations.

- 1 The audited standalone financial results of the Company for the quarter and year ended 31 March 2022 have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 30th May 2022. The statutory auditors have expressed a modified audit opinion on these results .
- 2 The financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.
- 3 The company is operating under a single segment i.e., "Dairy Products - comprising Ghee, Milk Powder , Casein & Whey Powder " and therefore there are no reportable segments as per IND AS-108 " Operating Segment ".
- 4 Contingent Liabilities - Claims against the company not acknowledged as debts - Rs.78 Lakhs. (refer note no. 7)
- 5 The company has taken a view on the basis of technical advice that plant in the dairy industry use non-corrosive raw materials, the expected life of the plant and machinery should be 35 years against which the company is providing depreciation on the basis of 20 years of life.
- 6 The calculation of depreciation for financial year 2016-17 onwards on the basis of 35 years of expected life has resulted into excess depreciation of Rs. 6.98 Crores. The net diminution in the value of certain plant and machinery amounts to Rs. 4.26 Crore. The company has taken the excess depreciation of Rs. 2.72 Crores as Non operating income in the profit and loss account for the year ended 31.03.2022. Thus according to IND AS-8 the reserves and assets of the company are over stated by the said sum.
- 7 Goods and Service Tax Department has generally verified the transaction of the dealers vis input tax credit. In this regard, they have also carried out the verification of ITC of our Four Dealers. The company has been cooperating in the investigating proceedings and has partially deposited a sum of Rs 16.27 Crores as Tax voluntarily deposited under protest. The amount paid to the department under protest is shown as GST recoverable in the financials of the company. Company has received a show cause notice from Moradabad Range in this regard for Rs.25 Crores and has filed its reply & order is expected shortly after the personal hearing. Legally, the company has been advised of its success as the entire payment to the dealers is made through banking channels for purchases which has been duly confirmed by bank.
- 8 The outbreak of Covid-19 pandemic has caused significant disturbance and slowdown of economic activities globally. The lockdowns ordered by most of the State Governments have resulted in the slowdown of economic activities. This has adversely resulted in the business operations of the Company in terms of sales and production. The Revenue from operations for the year ended 31.03.2022 has fallen by Rs 5171 Lacs, besides this there has been increase in the prices of various raw materials which could not be passed on to the customers due to their lower paying capacities and severe competitive conditions. All these factors resulted in the decline in the Profits of the company in the current year vis a vis last year. The management has considered the effects which resulted from the pandemic and resultant increase in cost of inputs. Based on the current indicators of future economic conditions and company engaged in dairy business (essential services), the management expects to generate sufficient revenue (pre Covid 19 pandemic), recover the receivables and dispose of stocks. The management is closely monitoring the situation regarding any material changes in future economic conditions. Given the uncertainties, the final impact on Company's ability to recover assets in future may differ from that estimated as at the date of approval of these financial results. The Production Capacity of one plant remained under utilized due to less demand of ghee on account of Covid 19 pandemic. Management is of the view that this is the temporary phase and the plant will be substantially utilized for generating revenue when the demand of ghee increases in the subsequent quarters as the pandemic and inflation conditions improve. Considering all these factors no impairment testing has been done on the reporting date.
- 9 Other non current Assets include advance to a supplier amounting to Rs. 74 Lakhs outstanding for more than a year. As confirmed by the supplier, the same will be received/adjusted in the financial year 2022-23. The management is of the view that amount is good for recovery and hence no provision is made. One of the Trade receivables from whom Rs 68 lakhs is due (under settlement including interest of 26.91 lakhs) is facing an insolvency petition before the NCLT. Management is of the view that the amount will be received. However as a matter of abundant caution provision of 10% of outstanding is recognised. Management is monitoring the situation closely and necessary accounting entry , if required, will be made in the subsequent financial year.
- 10 Company has received a sum of Rs 7885 lacs as security deposit from vendors as per trade practice followed consistently in the past and shown the same as non current liability .Regarding movement in the security deposits during the year the management is of the view that the same is within the group entities of the vendors and overall, there is no significant impact .
- 11 The figures of the last quarter ended March 31, 2022/2021 are the balancing figures between audited figures in respect of the full financial year up to March 31, 2022 / 2021 and the limited reviewed results published year-to-date figures up to December 31, 2021
- 12 Previous period figures have been recast/regrouped/reclassified wherever necessary to make them comparable with those of current period.

Independent Auditor's Report on the Quarterly and Year to Date Consolidated Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations 2015, (as amended)

To

The Board of Directors of Milkfood Limited Limited,
4th Floor, Bhandari House,
91, Nehru Place,
New Delhi-110019

Opinion

We have audited the accompanying consolidated financial results of **Milkfood Limited** (the "Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together refer to as "the Group") for the quarter and year ended March 31, 2022 ("Statement"), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of other auditors on the separate financial statements of the subsidiary and associate company as referred in others matter paragraph, the Statement:

- i) includes the results of Holding Company and following entities:

Subsidiary Companies

- (a) MFL Trading Pvt Ltd

- (i) is presented in accordance with the requirements of the Listing Regulations in this regard; and
- (ii) gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India of the consolidated net profit and other comprehensive income / (loss) and other financial information of the Group for the quarter and year ended March 31, 2022.

Basis for Opinion:

Attention is drawn to Note no.5 & 6 regarding re-evaluation of useful economic life and impairment of certain plant and machinery resulting in net credit on account of excess depreciation of Rs.2.72 crores in the financial results for the year ending 31st March 2022 and overstatement of other equity and non-current assets as on 31st March 2022 as per Ind As- 8.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditors Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their report to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note No.7 regarding GST, Note no 9 Regarding Advance to suppliers and Trade Receivables and Note No 10 regarding Security deposits

Our opinion is not modified in respect of these matters.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated annual financial statements. The Board of Directors of the Holding Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income and other financial information of the Group in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant

rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error which has been used for the purpose of preparation of the Statement by the Directors of the Holding company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the

company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/information of the entities within the Group of which we are the independent auditors to express an opinion on the Statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statements of which we are the independent auditors. For the other entities included in the Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the 'Other Matters' paragraph of this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities Exchange Board of India under Regulation 33(8) of Listing Regulation, to the extent applicable.

Other Matters

We did not audit the financial statements of the subsidiary, whose financial statements reflect total assets of Rs NIL as at March 31, 2022, total revenues of Rs NIL and total net loss Rs. Nil and total comprehensive loss Rs. Nil for the quarter ended and year ended March 31, 2022 respectively and net cash inflows amounting to Rs. Nil for the year ended on that date, as considered in the Statements. These financial statements have been audited by other auditor whose reports have been furnished to us by the Holding Company's management and our opinion on the Statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on the audit reports of other auditors.

Our opinion on the Statements is not modified in respect of this matter with respect to our reliance on the work done and the reports of the other auditors.

The Statement includes the results for the quarter ended March 31, 2022 being the balancing figures between the audited figures in respect of the full financial year ended March 31, 2022 and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us as required under the Listing Regulations.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
TRIPUTI INFRASTRUCTURE PRIVATE LIMITED
5TH FLOOR BHANDARI HOUSE
91 NEHRU PLACE NEW DELHI 110019

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **TRIPUTI INFRASTRUCTURE PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, and the Statement of Profit and Loss, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March 2022, and its Loss for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Management Discussion and Analysis,

Board's Reports including Annexure to Board Report, Business Responsibility Report, Corporate Governance and Shareholder Information, but does not includes the financial statements and auditor's report thereon.

Our opinion on the financial statement does not cover the other information and we do not express any form assurance conclusion thereon.

In connection with our audit of the financial statement, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on our work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the order'), issued by the Central

Government of India in terms of Sub Section (11) of Section 143 of the Act is not applicable to the Company.

2. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) As per Notification No. G.S.R. 583(E) dated 13th June, 2017, amendment to Notification No. G.S.R. 464(E) dated 5th June 2015 with respect to reporting on adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls is not applicable to the company.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report that:
 - a) The Company does not have any pending litigations which would impact its financial position.
 - b) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - e)(i) The management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - e)(ii) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity, including foreign entities ("Funding Parties") with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf

of the funding party or provided any guarantee, security or the like on behalf of the Ultimate Beneficiaries and

- e)(iii) Based on audit procedures that the auditor has considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- f) The Company had not declared or paid any dividend during the year
